#IAMFIRSTCLASS Workshop feedback

Dear Nathan

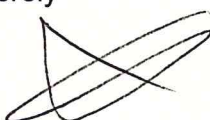

Thank you so much for coming into Holyhead School to deliver the #IAMFIRSTCLASS workshop- it was absolutely amazing. This workshop gave our students the opportunity to reflect and value themselves and their unique abilities in addition to recognising the value of others.

As a facilitator you really had the student's attention from the beginning with a balanced mix of humour and reality- your story is truly one to be proud of.

Students really enjoyed the workshop and connected with the activities. The highlight of the workshop for me was experiencing the true cohesiveness of the group when they all began to sing 'I am BLESSED' after reciting their positive affirmations.

I would 100% recommend 1st Class Legacy and the 'I am First Class' workshop. I will definitely be booking you again.

Yours sincerely

Janine Richards
Head of Health and Social Care
